

From I-84, turn Southwest on Garrity Blvd. There is considerable road construction on Garrity and none of the cross streets are clearly marked. Turning South on 39th Street (a left turn at the Jalopy Jungle) will lead you directly into Municipal Drive. If you miss 39th Street, the next large intersection will be Kings Road. Turning left, you will need to maneuver around the traffic island to turn onto Airport Road. Then proceed eastbound on Airport Road to Municipal Drive and turn right at the Warhawk Air Museum.

Can Ada Road becomes Garrity Blvd at I-84. It may be easier to turn North on Can Ada to Franklin Road and turn right. Proceed East to N. Robinson Blvd and turn right again (South). Then follow Robinson to Airport Road and turn right (West) to Municipal Drive. Turn left on Municipal Drive at the Warhawk Air Museum.
